**Directions** From Meriden, west on Brook Rd. to Ladieu Rd. on left, at first "T" intersection, take left, look for lots on right. From Rte. 12A, east on Brook Rd., to Ladieu Rd. on right, left at "T" intersection, look for signs on right. Lot B is first sign on right.

Nice land with numerous potential house sites available. Land has been partially cleared, providing local views and feeling of expansiveness. Access to be by shared drive. Access drive/"wetlands crossing" to access house site already provided. Property is in Current Use--Buyer shall be responsible for any penalty for removal from Current Use. Deed shall state that there shall be no further alteration of wetlands for lot development, driveways, culverts, or for septic setback according to Wetlands Permit. Property tax not yet established since this is a new subdivision. No further subdivision under the minor subdivision category for ten years.

**NOTES**

1. AREA "F" - Land of Robert Shulman intended to be conveyed to the Town of Plainfield as an annexation to Map 16-Lot 2 owned by the Town.
2. SOIL SUITABILITY FOR DEVELOPMENT - Each lot contains soils that are mapped as suitable for sewage disposal over an area that exceeds the requirements of the State of NH for a four-bedroom home.
3. SHARED DRIVEWAYS - Lot B and Lot C are intended to share a driveway as shown across a 50-foot wide right-of-way, the center of which is the lot-line. An alternate driveway for Lot C to access Site C is shown. Lot D and Lot E are also intended to share a driveway as shown across a 50-foot wide right-of-way, the center of which is the lot-line. The shared drives described above require State Wetland permits in order to cross the brook. Approval of all necessary permits is required prior to the issuance of a building permit by the Town.
4. ZONING - This property is in the VR, RR, and RC-2 Zones according to the Zoning Map of the Town of Plainfield. Refer to Plainfield Zoning Regulations regarding the Wetlands Conservation District. A fifty-foot wetlands buffer is shown around the wetlands of Hilliard Brook and Hilliard Brook Beaver Pond.
5. -
6. HIGHWAY DRAINAGE STRUCTURES - The Town of Plainfield shall be allowed to continue to maintain those existing highway drainage features such as culverts and diversion ditches abutting the subject property along Porter and Ladieu Road as necessary.
7. HILLIARD BROOK is called Gilkey Brook in ancient deeds.
8. UTILITY EASEMENTS - Overhead or buried utility easement locations for electricity, etc. will be determined by lot owner and utility company prior to construction of dwellings.
9. The SITES shown on each proposed lot are suggested and do not intend to restrict homesite development to that particular location.
10. Pertinent wetland boundaries were delineated by Jonathan A. Sisson III, Certified Wetland Scientist, in accordance with the most recent versions of the Corps of Engineers 1987 Wetlands Delineation Manual and the 2009 Interim Regional Supplement to the Corps of Engineers Wetland Delineation Manual: Northcentral and Northeast Region.

Coryville Cemetery was conveyed to Town of Plainfield by deed of Charles Woodward recorded on Nov. 14, 1904 in Book 160-Page 91 of the Sullivan Co. Registry of Deeds. The cemetery was deeded along the walls, reserving one pine tree.

**Minor Subdivision:**  
 A parcel of land which has been subjected to minor subdivision shall not be eligible for further subdivision under the minor subdivision procedures for a period of 10 years from the date of the most recent subdivision approval. Annexations are not subject to this requirement.

**Relative to Area "F":**  
 This conveyance is made for the purpose of annexation, upon the conveyance shall merge with and become part of the land to which it is annexed, and shall not constitute a previously approved lot for the purpose of reconveyance unless and until the same shall have been approved in accordance with the subdivision regulations for the Town of Plainfield and/or any other law, ordinance or regulation, Federal, State or Local, then applicable.

**Relative to this Subdivision Plan:**  
 The subdivision requirements of the Town of Plainfield are a part of this plat, and approval of this plat is contingent on completion of all the requirements of said subdivision regulations, excepting only any variances or modifications made in writing by the Plainfield Planning Board. Approved by the Plainfield Planning Board

on 2/17/2012  
 Certified by Robert S. Shulman  
 Chairman.

**NOTE--  
CONDITIONS**

Page 1 of 2

**APPROVAL DATE: 05/11/2012**

**EXPIRATION DATE: 05/11/2017**

Based upon review of the above referenced application, in accordance with RSA 482-A and RSA 485-A:17, a Wetlands Permit and Non-Site Specific Permit was issued. This permit shall not be considered valid unless signed as specified below.

**PERMIT DESCRIPTION:** Dredge and fill 1,602 square feet (includes 129 square feet of temporary impacts) of wetlands and an intermittent stream to construct two access driveways as part of a five lot subdivision. Work in jurisdiction includes the installation of a four foot diameter culvert and a five foot squashed culvert.

**THIS APPROVAL IS SUBJECT TO THE FOLLOWING PROJECT SPECIFIC CONDITIONS:**

1. All work shall be in accordance with the plans by Rollins Land Surveying dated December 29, 2011 revised January 31, 2012 as received by DES May 01, 2012 and plans by Beaver Tracks LLC dated February 09, 2012 as received by DES February 24, 2012.
2. This permit is contingent on approval by the DES Subsurface Systems Bureau.
3. Work shall be done during periods of non-flow.
4. Appropriate siltation/erosion/turbidity controls shall be in place prior to construction, shall be maintained during construction, and remain in place until the area is stabilized. Silt fence(s) must be removed once the area is stabilized.
5. There shall be no further alteration of wetlands for lot development, driveways, culverts, or for septic setback.
6. The deed which accompanies the sales transaction for each of the lots in this subdivision shall contain condition #5 of this approval.
7. Culverts shall be laid at original grade.
8. Proper headwalls shall be constructed within seven days of culvert installation.
9. Dredged material shall be placed outside of the jurisdiction of the DES Wetlands Bureau.
10. Construction equipment shall be inspected daily for leaking fuel, oil and hydraulic fluid. Faulty equipment shall be repaired immediately.
11. All refueling of equipment shall occur outside of surface waters or wetlands during construction.
12. The contractor responsible for completion of the work shall utilize techniques described in the DES Best Management Practices for Urban Stormwater Runoff Manual (January, 1996) and the Stormwater Management and Erosion and Sediment Control Handbook for Urban and Developing Areas in New Hampshire (August, 1992).

[www.des.nh.gov](http://www.des.nh.gov)

29 Hazen Drive • PO Box 95 • Concord, NH 03302-0095  
(603) 271-3503 • TDD Access: Relay NH 1-800-735-2964

13. Within three days of final grading or temporary suspension of work in an area that is in or adjacent to wetlands or surface waters, all exposed soil areas shall be stabilized by seeding and mulching during the growing season, or if not within the growing season, by mulching with tack or netting and pinning on slopes steeper than 3:1.
14. Where construction activities have been temporarily suspended within the growing season, all exposed soil areas shall be stabilized within 14 days by seeding and mulching.
15. Where construction activities have been temporarily suspended outside the growing season, all exposed areas shall be stabilized within 14 days by mulching and tack. Slopes steeper than 3:1 shall be stabilized by matting and pinning.
16. Any future work on this property that is within the jurisdiction of the DES Wetlands Bureau as specified in RSA 482-A will require a new application and approval by the Bureau.

**GENERAL CONDITIONS THAT APPLY TO ALL DES WETLANDS PERMITS:**

1. A copy of this permit shall be posted on site during construction in a prominent location visible to inspecting personnel;
2. This permit does not convey a property right, nor authorize any injury to property of others, nor invasion of rights of others;
3. The Wetlands Bureau shall be notified upon completion of work;
4. This permit does not relieve the applicant from the obligation to obtain other local, state or federal permits, and/or consult with other agencies as may be required (including US EPA, US Army Corps of Engineers, NH Department of Transportation, NH Division of Historical Resources (NH Department of Cultural Resources), NHDES-Alteration of Terrain, etc.);
5. Transfer of this permit to a new owner shall require notification to and approval by DES;
6. This permit shall not be extended beyond the current expiration date.
7. This project has been screened for potential impacts to **known** occurrences of rare species and exemplary natural communities in the immediate area. Since many areas have never been surveyed, or have received only cursory inventories, unidentified sensitive species or communities may be present. This permit does not absolve the permittee from due diligence in regard to state, local or federal laws regarding such communities or species.
8. Review enclosed sheet for status of the US Army Corps of Engineers' federal wetlands permit.

APPROVED:   
Sandra Mattfeldt  
DES Wetlands Bureau

**BY SIGNING BELOW I HEREBY CERTIFY THAT I HAVE FULLY READ THIS PERMIT AND AGREE TO ABIDE BY ALL PERMIT CONDITIONS.**

DEPARTMENT OF ENVIRONMENTAL SERVICES

Thomas S. Burack, Commissioner

NOTICE TO RECIPIENTS OF MINOR IMPACT N.H. WETLANDS PERMITS

Your permit was approved by the New Hampshire Wetlands Bureau as a minor impact project, and your project will be reviewed by the U.S. Army Corps. of Engineers for possible approval under the Army Corps New Hampshire State Programmatic General Permit - SPGP. The Army Corps will notify you within thirty (30) days if they will require additional information or an individual federal permit application.

If you do not hear from the Army Corps within thirty (30) days, and your project meets the conditions of the SPGP (attached), your project will automatically be approved under the SPGP. You should contact the Army Corps, at 1-800-343-4789, if your project does not meet the conditions of the SPGP.

NO WORK SHOULD BE DONE WITHOUT AUTHORIZATION FROM THE ARMY CORPS UNLESS THIRTY (30) DAYS HAVE PASSED AFTER N.H. WETLANDS BUREAU APPROVAL, AND ALL CONDITIONS OF THE SPGP ARE MET.

THESE APPROVALS DO NOT RELIEVE YOU FROM OBTAINING ANY NECESSARY LOCAL PERMITS THAT MAY BE REQUIRED BY YOUR TOWN.

IF YOU HAVE ANY QUESTIONS, PLEASE FEEL FREE TO GIVE US A CALL AT 603-271-2147
